SUN VALLEY SKI RESORT *
The ORIGINAL since 1936

**Join Chicagoland Club 50 at Sun Valley Resort—the first of the great U.S. ski resorts
Saturday, March 10, 2018 through Saturday, March 17, 2018.**

Club 50 heads to Sun Valley, Idaho where, in 1935, Count Felix Schaffgotsch located the perfect spot for a grand American resort. The chairlift was invented here. America's first skiing gold medalists trained on these slopes and, for generations, everyone from Hollywood royalty, European nobility and all-American families have enjoyed the seemingly endless runs and tranquil village. No other place is quite like Sun Valley — a unique combination of old-world European styling mixed with a wild-west heritage. According to SKI magazine, the "rustic yet refined atmosphere of this secluded Idaho gem has beckoned skiers since 1936".

With expansive and diverse terrain on Bald Mountain including 2054 acres of skiable terrain, 3400 vertical feet, 645 snowmaking acreage, 19 lifts and 75 runs [36% easiest, 42% more difficult and 22% most difficult], Club 50 skiers will have a wide range of runs from which to choose. For those new to skiing or just needing a refresher course, Dollar Mountain, '*one of the finest teaching mountains*', is the perfect place to get acquainted or re-acquainted with downhill skiing. The town of Ketchum — one of the last great ski towns with historic bars and restaurants — is just a short free shuttle bus ride away.

We'll stay at the Sun Valley Inn, next to the historic Sun Valley Lodge, with access to all of the Sun Valley amenities including the world-famous Sun Valley ice rink, the comfortably heated Lodge pool and sauna, the bowling alley and game room, the Sun Valley Salon & Day spa, the Sun Valley Opera House as well as some of the finest dining in the Sun Valley area.
